## What you said...

I'm just motivated to do just what God wants me to do. I find myself, despite the setbacks, realising that I am special because I'm special to God, and praising Him irrespectively. I just love God for what He is doing in my life right now.

**Debbie Smith**

I'm here for a reason and No one but me can accomplish the job I was made to do. I am special and have a great work to do. I've never said that I'm special, it's a strange thing to think let alone say... but it's a reality I must get used to.

**Ruth Lynch**

I have actually learnt a lot but the most important thing for me is to remember that no matter what, it's not about me but it's all about God. I need to learn that principle and everything else will fall in line.

**Natasha Dallas**

Purpose Driven Life has really opened my eyes to how I should be working towards not just getting my life right with God but making sure that my life is right with my fellow Christians as this is what determines if we have allowed Gods love to really transform our lives and attitudes in enabling us to live in harmony with each other.

**Vernetta Lynch**

What I have received so far from the PDL is a constant reminder of the Commandments/teachings that we have been taught as followers, and the whole simplicity of those chapters I have already read. After the 40 days I will be going over, and over, this book until it is time.

**Sister Mervaline**

For me, the reiteration of this life being a blessing, one that I have to give back to God. It's truly not about me but the He that lives within me. I needed to be reminded about that.

**Sabrina Benjamin**

'Day 28: It Takes Time' was very encouraging for me, while I was walking to the train station, a word was on my mind that God works

out everything in his perfect time & as I was sitting on the train reading, it was just confirming what was on the mind "he who began a good work in me will carry it on to completion" I was like WOW!!

**Glenys Grant**

For me the PDL book has been a renewing and definitely a revising look at my faith. I will be making some significant immediate changes to my life in order to serve God better so **PBPGINFWMY**. An excellent book for bringing out your inner thoughts to the forefront of your mind.

**Annette Cobham**

I feel this book has taken me to the next level in my Christian walk. I thank God for giving Pastor David the vision and I thank Pastor David for acting on God's word. I could write pages on what it has done for me.

**Marcia Lynch**

It's made me aware that, I'm FAR off from fulfilling my purpose especially where worship is concerned. Considering that's the main purpose of what God has created me for, I haven't been taking it very seriously. He is worthy and He deserves it.

**Sandra Cranston**

I'm inspired, my thoughts on life has changed for the better.

**Helena Lynch**

*Calvary* What it means to be given new life, to have an opportunity to live a purposeful life and be called a child of God. What it means to be sure that your future is secured with God in heaven and what it means to know that every step you make has been pre-ordained by God Himself. What it means to know that Jesus made this all possible for me at Calvary. What a selfless sacrifice, just for me. Jesus did it, just for me.

*What it means*

**A new survey by Premier Christian Radio has revealed that more than half the people in**

**Britain don't know the true meaning of Easter.** Over 50 per cent of those asked had no idea of the significance of Easter Sunday and 42 per cent could not name Judas Iscariot as the man who betrayed Christ.

So, what can Christians do to make Easter more relevant to the British public? Send your ideas to Premier and they will update you on-air through the coming days. **Log onto [www.premier.org.uk](http://www.premier.org.uk) to send your ideas and stay tuned Premier this week.**
